

Recreationally Speaking

By Mike Gormley

CADET FATHER AND SON BANQUET - The annual Father and Son Banquet sponsored by the Drayton Valley Air Cadets Squadron is to be held in the Legion Hall on February 17, was very poorly attended, scarcely half of the local squadron was in attendance, several of the local leaders were unable to attend and no dignitaries nor guests from Ponikoff nor Edmonton attended the function. Those who did attend, about thirty in number were treated to an excellent supper prepared and served by the Ladies of the Legion Auxiliary. W.G. Johansson was Master of Ceremonies. Jim Deas addressed the group on behalf of the local Canadian Legion Squadron c/o Maurice McCullagh spoke on behalf of the Cadets while Dorothy Burrows represented the Ladies of the Legion Auxiliary at the banquet.

"JANUARY THAW" - Program in preparation for the January "Thaw" has been quite satisfactory to date. This hilarious compilation of William Ross will be presented by the Drayton Valley Players Drama Club on March 19 and 20 at St. Anthony's School Auditorium under the direction of Mrs. Pat Moore. This is a three act play with a cast of fourteen persons. In central theme, its spontaneity of dialogue and its humorous appeal is bound to make it one of the most enjoyable and entertaining plays ever presented here.

BASKETBALL - The Junior Basketball Clinic sponsored by the Drayton Valley Athletic Association got under way last Saturday forenoon. The clinic is being held in the gymnasium of the Drayton Valley High School. The purpose of this clinic is to introduce the sport of basketball to interested youngsters in the twelve and thirteen year old grouping who will have the opportunity to play the sport at the High School level in the very near future. The clinic will be held every Sunday morning from 10:00 a.m. to 12:00 p.m. Everyone is welcome and all are enthusiastic about the clinic to attend this month because the clinic which has been increasing over the months is presently costing \$75.00. It would be a really profitable evening for anyone.

HOCKEY - We are nearing the end of the most dismal hockey season ever experienced in these parts. The weather has been increasingly more unfavorable to hockey from year to year during the past five years and this season we will be all in for a game. A game was arranged with Evansburg at the Ice West level last Friday evening but Friday produced one of the most inclement evenings of the whole winter so there went the game. There is a chance that this game might be played on this weekend.

There is also a chance that the Klippers, our Midgar squad, might take part in a tournament at Stony Plain this weekend. So much depends on the weatherman has to say, over the weekend. One way or another, the ice is in sight and we do know that very little hockey will be played here during the 1964-65 season.

FIGURE SKATING - If the hockey enthusiasts have had their problems with ice conditions, weather and temperature, it follows that the local Figure Skating Club is having its difficulties as well. It has been a very hard season for our figure skaters. However, they have made the best of it and plans are to hold the annual Ice Carnival on Saturday March 5, at the Lions Hockey rink. The show will be held at a hockey rink rather than the skating rink because it was thought that, among other things, the hockey rink was more sheltered and also seating facilities were more readily available here. So if we can get a break in the weather for this one week and there will be an Ice Carnival in Drayton Valley this year. A great deal of time and effort has been put into this year's carnival and it is hoped that it will be a most successful one.

EDITOR

This letter was sent to Gary Cooper of The Journal.

As you know, we had seven of all the boys in Edmonton on Paul Horner Kingsway hockey team. We also started for Red Deer with 2 more players for Eric Kemmick card there.

With 3 handers and my wife and myself, we had a grand total of 12 to 20 cars.

We travelled down the Winfield - Rimby road and conditions were good until we got to Headley and we started hitting billiard.

conditions. We were barely able to get into Bentley at about 7 p.m. and stopped there for about 1 hour and after phoning Red Deer and finding that, at that time the weather was good down there, we tried to head east to Lacombe and thought we would run out of the storm. After about 1/2 mile we were driving under impossible conditions. We decided it was no use and turned back into Bentley.

Arriving there, we ate and decided to wait until the storm died down and then go back to Drayton Valley.

About 10:30 p.m., we were approached by a few of the townspeople who suggested that they would try to find places for us to stay over night at the hotel was filled up. We agreed that as the storm did not seem to be letting up, that it would be fine if they could at least get the smaller boys bedded down for the night, as we thought, if necessary, the bigger boys could stand sitting in the lobby until the storm let up and we could travel.

After a lot of telephoning around, we were again approached and this time they told us they would put us all up.

Various townspeople drove us to their homes and made us as welcome as if we were long time friends and strangers.

Next morning, everyone enjoyed the breakfast at all the different homes and as the weather had cleared up and the highways were opened up by snowplows, we decided to start for home.

Of the two cars, left at the hotel overnight, mine had to be the one that wouldn't start and again we had the assistance of a great number of the folks to get me out of the snow.

I think that the people in Drayton Valley, as well as everywhere else, did appreciate the usefulness of these folks and although they may not have known it, perhaps someday we can use some of them in our part due to them.

Basketball Season Nears End

Tuesday night spectators witnessed a pair of exciting basketball games at Frank Maddock High School. The first contest saw Brenton girls defeat the Drayton Valley girls by a score of 21 to 8. Brenton topped the scoreboard with 13 points while Linda McMorris of Drayton counted for 4.

And exhibition game between Brenton boys and Drayton Valley boys saw Brenton come out on top by a 50 to 35 margin. Clifford Blunk was top scorer for Brenton and Alton Matson took the honours for Drayton.

A reminder that next Wednesday night, March 3, Pembina District seniors will be playing the Evansburg team at the High School. The Drayton teachers are determined to win this game as they lost the last game due to a spectacular Evansburg basket in the closing seconds of the game. The final score was 40 to 39. Drayton Valley boys will play the Evansburg boys following the teachers.

Pictured above are the Brenton girls who will play Evansburg for the district girls basketball championship. Left to right are Judy Matson, Linda Fisher, Ella Olsenberg, Connie Larsen and Kathy Kila.

THE "Go Along Column"

SOMETHING NEW HAS BEEN ADDED... With this issue we start a "controversy" column. Purpose of the column is to give readers a chance to "talk back" to the editor, or to add what they feel so inclined. We are starting the ball rolling with the following thought.

One thing we must stress, however, is that all letters MUST be signed, and all must be free of personal attack. Any letter that attacks anyone on a personal basis will not be printed.

WHY THE "GO ALONG" bit? Simply this: It is also a "I DON'T GO ALONG WITH THAT" for Discontents.

NEXT WEEK SEE: PREACHERS ARE FOR PREACHING

The Generation - Afraid To Think

We notice an increasing tendency among this generation to shun what might be termed as "philosophical thinking".

One striking evidence of this may be seen in the radio that go full blast all day long from morn till night.

It is almost as if people are afraid to be alone with their thoughts. Could this be the natural outcome of fears of imminent doom by way of nuclear bombs? Could it be a result of the all too obvious preoccupation with sex that we see in every hand? Perhaps it is the result of hidden, deep-down economic fears. Or the general instability of the national and international scene?

Anyway, whatever may be the reason, we notice that many people are apparently afraid to be left alone with their thoughts or on their own resources. If it isn't radio, then it is certainly TV. We are apparently taking a generation afraid of their own thoughts.

Some of the people who helped to make this column what it is today are: Mr. and Mrs. Jack Turnbull, Mr. and Mrs. Cliff Smith, Mr. and Mrs. Les Gray, Mr. and Mrs. Ken Butler, and Rag Porter, Ken Butcher.

There were many more who helped and it is only sorry that I could not get all their names, many thanks to you all.

Bentley has been called a model town and I think they have some pretty fine people who make it just that.

Thanks, Your truly, Don Booker, Pembina Bowling Club

Rotary "Adventures In Citizenship"

DRAYTON VALLEY ROTARY CLUB HELD ITS ANNUAL YOUTH NIGHT DINNER WITH THE HEADLINING OF THREE YOUNG HIGH SCHOOL SPEAKERS WHO WERE CONTESTANTS IN ROTARY'S "ADVENTURES IN CITIZENSHIP" CONTEST. Left to right they are: Tom Booker, Terry McManis, Grant Jakobs, and on far right, Rotary President, C.D. "Red" Ehlert.

The three contestants were competing for Rotary's sponsored \$1000 prize and at each had written an essay on the subject of "Citizenship" and these three had come down to the final judging which would be a short presentation of their treatise, given at Rotary Ladies Night Dinner, in the presence of the three judges. First winner was Grant Jakobs, who essay appears beneath. Judges for the occasion were two Rotarians from Edmonton, Mr. George Harpriet, and Mr. R.C. Jarvis, assisted by the Rev. J. Stachan, of Drayton Valley United Church. Jack Zolner was the local chairman of the "Adventures in Citizenship" committee.

Lions Charter Night

AN ADVENTURE IN CITIZENSHIP Grant Jakobs

Citizenship is the name which stems from the feeling of belonging to a group of people, united, and working together toward the betterment of their natural society. It is a feeling brought about by a sense of well being due to the love of one's country and what it stands for.

A true citizen is an individual who endeavors to promote the maintenance of a feeling of unity between the people of this country. Also, it is within his scope the true citizen will strive for peaceful co-existence between his own country and the countries with which it has relations. He will profess the ideas that make his country the land for which he chooses to fight.

Drayton Valley Lions Club Eight Annual Charter Night was held in the Community Hall on 8th Friday, February 26 with around one hundred and twenty in attendance. Cheers for the occasion were the Legion Ladies. Following the dinner and other ceremonial dancing was enjoyed to the music of the Diamonds.

Atain Speaker was District Governor Mort Pettit, of Fort St. John, B.C. The District Governor was introduced by Deputy District Governor Don Lamberton, currently of the local Lions Club, now with Jasper Place Lions Club.

One Chairman Steve Stevens and of Westville, gave recognition to the Charter Men of the local club. These were Claude Albers, Debby Sue Lamm, Al Miles, Alf Armstrong, Ken Kauter, and Don McKenzie.

Neighboring clubs represented were Westville, Devon, Winkfield, Edmonton West, Fort St. John, Mayrhofen, and Swan Hills. Swan Hills presented Drayton Valley Club with a Friendship Wagon!

1965 Licence Plates

FIRST DAY LICENCE PLATES SALE IN DRAYTON VALLEY'S TREASURY BRANCH SAW A GOOD LINE-UP AT THE WICKET. HERE WE SEE ASSISTANT ACCOUNTANT KEN DOMBROVA HANDING A PLATE TO KEITH PETERSON.

THAT'S THE LINE IN THE WICKET WAS A FARMER FROM TOMAHAWK Mr. Robert Shepley, who got licence 12-3001. However his Cameraman did not get an early enough to get a picture of the picture so called for later-comer Mr. Peterson.

DRAMA CLUB

Rehearsals for the upcoming comedy "January Thaw" seem to the observer, to be more fun to watch for those involved, and it is quite understandable that such should be the case. The first act sets the pace for the entire story which will keep you laughing from beginning to end.

Imagines an author, his sophisticated wife and three young daughters moving from the city to an old farm home which the unenterprising wife removes and converts, with great expense, into a country home.

Later to be knocked over by Roy Burrows Moore, and the Probstons. Sum of money were taken from both places.

Recently three service stations were burglarized. In these three places the robbers got their share in loot.

It is only a question of time until they are caught red-handed. At that time we suggest that the punishment fit the crime.

Public Events Calendar

CHAMBER OF COMMERCE SETS UP PUBLIC EVENTS CALENDAR

In order to make local organizations the planning of future activities such as picnics, trips, and so on, and to prevent clashing with other events, the Chamber of Commerce has set up a Public Events Calendar.

Handling the arrangements will be Mr. Bob Cowan who invites all parties interested to advise him of proposed events either by letter or by telephone at 542 - 3072 (345).

C of C Plans Huge Fiesta

Friday, July 9th, is the day the Centennials (who will come from all over the world) will start at 11 a.m. They will arrive in Drayton Valley at various times during the day. It is where the big fiesta comes in. Very extensive plans now underway in the local Chamber of Commerce to have the fiesta be set up on the river-bank, at the bridge site. Negotiations are underway with the owners of the land in the vicinity of the bridge. It is up to some fifty acres of land. On this site the Chamber will all the fixings necessary for same.

This will be another notable first for our local Chamber and will spark nation-wide interest.

ALFONI FROM LEGISLATURE

By Mrs. Cornelia R. Wood,
M.L.A.

The Second Session of the 15th Legislature of Alberta, opened on Thursday, February 15th with the usual colorful ceremony of gun-fires, music, and the reading of the Speech from the Throne which indicated a large program of legislation and work for the session. Some of the items to be considered are as follows:

1. Hospitalization Services to be advanced.
2. Mental Health facilities to be increased.
3. Improved educational, technical and vocational facilities.
4. Agricultural legislation of interest to Agricultural Service and producers of agricultural products.

5. Changes in Municipal Acts.
6. Votes for our Indian people.

General improvement in highways and rural roads.
Northern Development projects and programs to be extended and a railway to the north to be built.

Five new Senior Citizens centres to be built in 1965.
ARDA program to be extended.

Encouragement of industrial development in the Province.
Amendments to many Legislative Acts.

In Friday afternoon the session of the House was opened by Rev. Robert Simpson (S.C., Calgary North). He spoke on the 50th Anniversary of the Province this year and the 50th anniversary of the Social Credit Government.

DRAYTON VALLEY BANNER

Drayton Valley, Alta. MARCH 3, 1965 PAGE 5

ROYAL BANK

IMPORTANT NOTICE TO BORROWERS & SAVERS

The Royal Commission on Banking and Finance recommended the removal of the 6% ceiling on the rate of interest a chartered bank may charge for loans. We hope that the Bank Act, due for revision by Parliament soon, will in fact remove this ceiling and also enable the chartered banks to take mortgage security—now prohibited by law but recommended in the Royal Commission report.

To Our Borrowing Customers

To remove any uncertainty in the minds of our borrowing customers, the Royal Bank wishes to assure them that removal of the ceiling will not of itself affect our prevailing loan rates. The general level of these rates is determined by monetary policy as formulated by the Government and implemented through the Bank of Canada. However, the changes proposed by the Royal Commission will, if enacted in law, enable the chartered banks to enter lending fields hitherto closed to them. Thus the banks will be in a position to make, at reasonable rates, loans of a term and risk which, under present regulations are available only at higher rates outside the banking system.

We look forward to the removal of the ceiling as a means by which we can serve a wider public, not as a means by which we can charge higher interest rates on our present types of loans.

To Our Savings Customers

Removal of the ceiling, by permitting us to make new types of loans, will enable us to introduce a new type of savings account on which a higher rate of interest will be paid.

Thus, removal of the 6% ceiling—

1. Will benefit the owners of 12,000,000 savings accounts with the chartered banks.
2. Will not hurt existing borrowers.
3. Will help those now forced to borrow outside the chartered banking system, by providing them with loans at more reasonable rates.

HIGHLIGHTS

By Mrs. E. Doby

Miss Delphine Johnson, whose marriage to Mr. Edna Johnson, will be an event of late March, is being fêted with a round of parties and showers.

Miss Sylvia Hines has completed her training as a hair-dresser and is working for Mr. and Mrs. Vaudou.

Mr. Andrew Johnson was awarded a trip as his prize for selling the most membership to the Farm Union in this locality. He was one of a group who visited Vancouver, Seattle, Portland, and Salem.

Mr. Johnson was particularly impressed with Oregon and thinks he wouldn't mind living there.

Mr. Frank Murray is in hospital at present.

From Okotoks comes the news that Mr. and Mrs. Mary Perrier celebrated their golden wedding anniversary on February 6. We note that Mr. and Mrs. Jack Cline were present.

Both the Perriers and the Clines lived here for some years.

ENTWISTLE H. & S. PLANNING INTERESTING DISCUSSION

Word has been received by the Drayton Valley Home and School Association of what must be a very interesting event being held by the Entwistle Home and School Association on Wednesday March 10th, at 8:15 P.M.

This body will be addressed by Dr. Lupul, Associate Professor, Faculty of Education, U of A, who will take as his subject, "Religious Education and Junior Colleges" Cost, page 12.

MLA Warns Ethnic Groups May Detest Provincial Flag

A French-speaking Social Credit backbencher has warned that adoption of the Red Ensign as a provincial flag, could be unpopular among Alberta's ethnic population. Romeo Lamothe, MLA for Bonnyville, told the Journal the provincial flag—a Red Ensign with the provincial coat of arms—suggested by Premier Manning last week "would be welcomed by Canadians of English descent." But, he said, it "could be viewed by Canadians of other ethnic origins as an attempt by the provincial government to keep the Red Ensign flying in line of the new flag and thereby reduce the effect that the new flag could have had in uniting Canadians of all ethnic origins." WIDESPREAD CLAUSE Mr. Manning, in suggesting the flag, said a resolution for its adoption would only be introduced if MLAs indicated "widespread support for it." Although MLA Antonio Alotaio said he was in favor of the Ensign as a provincial flag, "Under it we have enjoyed all of the advantages that free people expect to enjoy. With the exception of Quebec, it has kept us united and closer to Her Majesty the Queen," he said. "If we discarded it, it could be the first wedge driven between us and the Commonwealth," he said. Liberal Opposition Leader Mike Macagnan said he didn't know what his party's official stand would be but he personally favored the proposed provincial Ensign.

SECOND SECTION

Editorially SPEAKING

WHAT ETHNIC GROUPS?

We read that the MLA from Bonnyville, Mr. Romeo Lamothe claims that the proposed Provincial flag, if it uses the present Red Ensign, with the Provincial crest, might offend some "ethnic groups".

We would like to ask Mr. Lamothe just which "ethnic" groups he refers to.

Before we go into it any further, let us see what the big Dictionary man, Mr. Webster, has to say regarding ETHNIC.

ETHNIC: Of, or pertaining to race, races, or peoples; specifically, pertaining to groups or stocks of mankind as having certain physical, mental, or cultural characteristics in common, and usually, but not necessarily living within a given geographic location; ethnological; also belonging distinctively to a race.

Now, Mr. Lamothe, you belong to an "ethnic" group, I belong to an "ethnic" group, I just happen to belong to the Anglo-Saxon ethnic group, and you belong to the Gallic group. What could be simpler?

But, apparently, sir, you are so tied to the apron strings of your Gallic ancestry, that we are not denying it is a wonderful heritage that you must go back in history many, many years to the General Wolfe versus General Montcalm bit on the Plains of Abraham.

If so, perhaps we do not need to go so far back. When La Belle France carved its little patch of stick fortress, during World War 2. And who do you think went into bail her out? By far the greatest group that went into that historic battle were English speaking groups. Anglo-Saxon ethnic group, predominantly.

LET US NOT FORGET D DAY AND THE BEACHES OF NORMANDY. When Canadian boys went in

AUDITOR'S REPORT

We have examined the balance sheets of the DRAYTON VALLEY MUNICIPAL HOSPITAL & at December 31, 1964, the Statement of Revenue Fund Income and the Statement of Revenue Fund Expense for the year ended on that date, and the supporting statements. Our examinations included a general review of the accounting procedures and such tests of the accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion the accompanying balance sheet and statements of income and expense present fairly the financial position of the hospital as at December 31, 1964 and the results of its financial operations for the year ended on that date, as determined in accordance with generally accepted accounting principles.

LETTERS TO THE EDITOR

MENTAL HEALTH

Dear Editor:
The Canadian Mental Health Association is always trying new

ways to help educate the public about Mental Health. Since the summer of 1964 they have had a new program on which they have found very beneficial to patients residing in our larger mental hospitals. It is called "Adopt - a Patient" program.

Either a group or an individual may take part in this. It requires only that they be interested enough to help a patient in as small a way or as large

as seems fit. Forms are available through the Provincial office of the C.M.H. Assoc. at 515 - 12001 - 104 St. in Edmonton.

The form is filled out by the Adopter and needs such information as name, age, race, church affiliation etc., which is then sent to the hospital. After the authorities receive the "Adopter" form and it is matched with a patient, a similar one on the patient is sent back.

Who never sees a relative or have a visitor and have literally been abandoned by both often do not have any spending money at all.

The system now starts to work. In this way all of us can help

the ones who are unfortunate enough to have to spend many years in these institutions. If more information is needed please call me - 445 - 9704. Sincerely, Mrs. M. Palmer

You as a free citizen have the right and, perhaps you will agree, the obligation to read the news - to know what is going on.

DROP IN CANADIAN WHEAT PRICES

A strong stand in favour of wheat price subsidies for Canadian producers has been taken by the Farmers' Union of Alberta Executive meeting in Edmonton today.

Response to demands from many F.U.A. members that their alarm at the current price situation be expressed at the highest levels, the F.U.A. Executive has instructed its representatives on next week's National Farmers' Union delegates to Ottawa to state their case in the strongest possible terms. On March 2, 3, 4, 5, the N.F.U. will be making its annual submission to the Federal Cabinet.

Wheat subsidy proposals are based on the premise that producers should not be forced to accept returns to less than the cost of production. A "forward price" for wheat, which would give producers a basis for planning ahead, together with a subsidy to make up the difference when the world market price drops below the forward price, would bring needed stability to this important segment of agriculture, the F.U.A. Executive believes.

It has been suggested that \$2 per bushel should be used as the forward price for this crop year. In reporting this position, F.U.A. Vice President Anders Anderson of Medicine Hat comments

that full effects of the recent price cuts are not yet known. It is ridiculous to think that a 60 to 75 million dollar loss to wheat farmers will be the only result, he cautioned. We must consider what agricultural effects these lower wheat prices will have in other sections of agriculture. We may see cheaper feed leading to increased beef production, ultimately resulting in even lower beef prices. These wheat price cuts effect the total economy of Western Canada.

The Executive agreed farmers should not be expected to bear alone the full weight of competition by subsidized wheat producers in other countries. Rising costs and falling prices put farmers in the position where they have to ask for some assistance from their fellow citizens if they are to continue producing this vital food product, at the same time maintaining their present standard of living.

A.A.R.N. NEWS

The Drayton Valley Chapter of the Alberta Association of Registered Nurses held their Feb. meeting on the 10th in the Nurses Residence at 8 p.m. The next regular meeting will be on March 10th at 8 p.m. in the Residence. A.A.R.N.'s are welcome.

The American Journal of Nursing was renewed and this magazine can be read by interested nurses if they go to Mrs. Johnnie's office in the hospital and pick them up. These are most magazines and contain interesting information for active and inactive nurses.

We had received word that there will be a Blood Donor Clinic on June 29 of this year.

Mrs. Williams and Mrs. Foley attended the January Chapter President and Executive meeting in Edmonton in January. From their report this was a very worthwhile meeting. Some of the topics reported on were: Hospital Staff Association, the advertising program plan for March 1st, which is April 1st - 5th, the History of Nursing in Alberta. There were only a few of the topics discussed at the Edmonton meeting. Our representatives certainly came back with much worthwhile information for the group.

The treasurer reported all bills have been paid to date and we have sent a donation to the Cancer Society. In this respect a very appreciative letter was read from them in regard to the overwhelming attendance at the recent "Cancer Film" shown here and sponsored by the A.A.R.N.

If there is any nurse in the area who does not receive our meeting notices would they please give their name, year of graduation, School of nursing attended, and whether or they are active, inactive, or associate or courtesy members to Mrs. Betty Schenck, Drayton Valley, (445 - 8215).

Also if anyone has any ideas as to what they would like for programming material which is educating to both active and inactive nurses please contact H. Dahl 445 - 9008 or R. Pratt at 445 - 9790. These will be appreciated.

Reported by H. Dahl
From the errors of others the wise man corrects his own.

ADVENTURES IN CITIZENSHIP

Cont. from page 1.

entire groups and live as much as possible in accordance with the culture to which they are accustomed. I would like to spend some part of my life working among these immigrants, the new Canadians - trying to find out their motives for emigrating to this country, and learning the mistakes made by their country even-ting to the emigration of many of its citizens. Then it would be possible for me to be on guard for the birth of similar mistakes in Canada. I would then endeavor to make closer to them the Canadian way of life to reach them the idea is for which their new country stands.

I would also like to spend several years of my life among the real Canadians - the Indians. From them I would be interested in learning of their problems adjusting to the fast paced way of life. I would then work toward making the Indians feel like a real Canadian citizen by listening to their wild feelings of patriotism.

This task would not be easy. It would only be accomplished over a period of several generations. A nation must thus be devoted for the gradual introduction of the Indians into modern society.

The mechanics of a strong, well formed government has always been one of my primary interests. During my University career I would like to make an intensive study of the political parties of Canada.

Then after the previously mentioned experience with the people of Canada I would like to join one of the parties to the realm of National politics. I would choose a field in which I could work as closely as possible with the citizens of Canada and the citizens of those countries with which she has relations.

I feel that if at some time during my life, I can through work with fellow citizens, do something to make Canada a better place in which to live, I shall have done my duty as a Canadian citizen.

HOME AND SCHOOL. Cont. from page 1, Col. 3.

As this subject has been under considerable discussion by the local Home and School body the executive note with interest that an invitation has been extended to residents of this area who may be interested in such a task, to attend the event being held at the Drayton Valley Curling Club. Twenty-four of these rings limited up in one of the six events. The Curling Club received a great number of comments both favorable and a few unfavorable on the operation of the Bousquet and also the newly remodeled Curling Ring.

The Bousquet started off with a donors reception in the Club Lounge. The Curling Club being the home for this event. Refreshments were served by the Ladies Curling Club. The Mens Curling Club would again like to extend a

great appreciation to the donors who are partially responsible in making this Bousquet a success.

Thursday evening the Bousquet was favored with the Ladies version of the Minister Stages or what ever they might have called themselves. The Show was quite popular with a few of the Mens Club Personal such as Tim La-Branch.

The results of the Bousquet were as follows:

Grand Aggregate Pembina Event
1-Jack McCoy Edmonton
2-Ken Ewoniak Drayton Valley
3-Tal Foss Edmonton
4-Dan Pedot Drayton Valley

Drayton Valley Hotel Event
1-Grant Chumey Sedgewick
2-Camwood Wire Line
3-Miller Buckle
4-Nikolychuk Wildwood

Don't be afraid to take a big step if one is indicated. You can't cross a chasm in two small jumps.

C of C Sponsors Course

MANAGEMENT ACCOUNTING COURSE TO START SOON.

It was announced by the Chamber of Commerce this morning that, as a result of application received from many people in the community and district an eight week management accounting course, conducted by the Division of Vocational Education of the Alberta Department of Education would start at the old St. Anthony's School, on Thursday, March 14th at 5:30 p.m. with

subsequent classes to be held each Thursday evening. There are still a few vacancies for this course and it is suggested that anyone interested in taking it should contact Bob Cowan at 542-2072 (2085 evenings) to arrange for enrollment.

This is the first such course to be arranged by the local Chamber and there is an excellent possibility that courses in other subjects will be forthcoming in the future.

Air Cadet

AIR CADETS HOLD SPORTS MEET

A smashing success. That is only way to describe the first cadet inter-squadron sports meet held last weekend at Whitewater. Events were run off right on schedule, the lunch supply was most tasty, and the boys enjoyed the fellowship and sportsmanship of open competition.

The plans for this sports meet were first discussed last summer at the Whitewater and Drayton Valley Squadron Cadet and Officer meet at Camp Namsa, and the success of this venture will assure more meets such as this.

Drayton Valley Cadets arrived right on the time at 12 noon to find the Whitewater lunch committee, ready with sandwiches and hot chocolate & the bar-b-q. After a quick inspection of our Whitewater facilities, the sports event got under way with two Drayton Valley teams challenging two Whitewater teams. At the bowling alley Action was soon hot and heavy as two five man bowling teams from each Squadron tangled for top bowling honors. Cont. on page 4.

Our Town Recreation Office has been turned into a rehearsal stage almost every evening of the week with director Pat Moore and her cast of players putting finishing touches to "January Thaw" the 3-act comedy to be presented at St. Anthony's School Auditorium, Friday and Saturday, March 19 and 20.

The play is excellent family entertainment. Get your tickets soon at the (rehearsal) Bay office and McPherson's Men's Wear Shop.

Our readers may be interested to know that representatives of the De Ma group have been invited to appear on the LAURA LINDESA show, CFTV-TV, Thursday March 18, at 7 p.m. So come to reserve that time for TV viewing.

Police Report For 1984

Several cases involving theft and breaking and entering are outlined as follows:

January - 2 persons involved in breaking and entering and Theft of a dwelling place received 0 6 months in the Fort Saskatchewan Jail. (5) Six months suspended sentence since this was a first offence.
